

## SAFETY DATA SHEET

Creation Date 10-Sep-2014

Revision Date 23-Jan-2018

**Revision Number** 3

| Product Name   | Albumin, egg, powder   |
|--|--|
| Cat No. :  | AC400450000; AC400450025; AC400450500; AC400451000;<br>AC400455000 |
| CAS-No   | 9006-59-1  |
| Synonyms   | Ovalbumine; Albumen  |
| Recommended Use  | Laboratory chemicals.  |
| Uses advised against<br>Details of the supplier of the | Food, drug, pesticide or biocidal product use.                     |
| Company  |  |
| Fisher Scientific<br>One Reagent Lane                  | Acros Organics<br>One Reagent Lane                                 |
| Fair Lawn, NJ 07410<br>Fel: (201) 796-7100             | Fair Lawn, NJ 07410  |

2. Hazard(s) identification

Classification

Classification under 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

Label Elements None required

Hazards not otherwise classified (HNOC) None identified

3. Composition/Information on Ingredients

| Component   |  | CAS-No   | Weight %                       |  |  |  |  |
|---|--|--|--------------------------------|--|--|--|--|
| Ovalbumins  |  | 9006-59-1  | 100                            |  |  |  |  |
|   | 4. First-ai  | d measures   |                                |  |  |  |  |
| Eye Contact   |  | Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Get medical attention immediately if symptoms occur.              |                                |  |  |  |  |
| Skin Contact  |  | Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes. Get medical attention immediately if symptoms occur. |                                |  |  |  |  |
| Inhalation  | Remove from exposure, occur.                         | Remove from exposure, lie down. Remove to fresh air. Get medical attention if symptoms occur.  |                                |  |  |  |  |
| Ingestion   | Clean mouth with water.                              | Get medical attention if sym   | ptoms occur.                   |  |  |  |  |
| Most important symptoms and effects   | No information available.                            |  |                                |  |  |  |  |
| Notes to Physician  | Treat symptomatically                                |  |                                |  |  |  |  |
|   | 5 Fire-fight   | ing measures   |                                |  |  |  |  |
|   |  | 5  |                                |  |  |  |  |
| Suitable Extinguishing Media  | Water spray. Carbon dio                              | xide (CO 2). Dry chemical. C   | hemical foam.                  |  |  |  |  |
| Unsuitable Extinguishing Media  | No information available                             |  |                                |  |  |  |  |
| Flash Point<br>Method -   | No information available<br>No information available |  |                                |  |  |  |  |
| Autoignition Temperature<br>Explosion Limits  | Not applicable                                       |  |                                |  |  |  |  |
| Upper   | No data available                                    |  |                                |  |  |  |  |
|   | Lower No data available                              |  |                                |  |  |  |  |
| Sensitivity to Mechanical Impa<br>Sensitivity to Static Discharge   | No information available                             |  |                                |  |  |  |  |
| Specific Hazards Arising from the Keep product and empty container as   |  | of ignition.   |                                |  |  |  |  |

|   | 6. Accidental rel | ease measures    |                         |  |  |  |
| Personal PrecautionsEnsure adequate ventilation. Use personal protective equipment as required.Environmental PrecautionsSee Section 12 for additional Ecological Information. |                   |                  |                         |  |  |  |
| Methods for Containment and Clean Avoid dust formation. Sweep up and shovel into suitable containers for disposal. Do not let   |                   |                  |                         |  |  |  |

Methods for Containment and Clean Avoid dust formation. Sweep up and shovel into suitable containers for disposal. Do not let Up this chemical enter the environment.

|                               | 7. Handling and storage  |
|-------------------------------|--|
| Handling                      | Avoid contact with skin and eyes. Do not breathe dust. Do not ingest. If swallowed then seek immediate medical assistance.   |
| Storage                       | Keep in a dry, cool and well-ventilated place. Refer product specification and/or product label for specific storage temperature requirement. Keep container tightly closed. |
| 8. E                          | xposure controls / personal protection   |
| Exposure Guidelines           | This product does not contain any hazardous materials with occupational exposure limitsestablished by the region specific regulatory bodies.                                 |
| Engineering Measures          | None under normal use conditions.  |
| Personal Protective Equipment |  |
| Eye/face Protection           | Wear appropriate protective eyeglasses or chemical safety goggles as described by OSHA's eye and face protection regulations in 29 CFR 1910.133 or European Standard EN166.  |
| Skin and body protection      | Wear appropriate protective gloves and clothing to prevent skin exposure.  |
| <b>Respiratory Protection</b> | No protective equipment is needed under normal use conditions.   |
| Hygiene Measures              | Handle in accordance with good industrial hygiene and safety practice.   |

| 9. Physical                            | and chemical properties             |
|--|-------------------------------------|

| Mobility  | Will likely be mobil   | e in the environme   | ent due to its water | solubility.        |                      |

Waste Disposal Methods

Will likely be mobile in the environment due to its water solubility. 13. Disposal considerations

Chemical waste generators must determine whether a discarded chemical is classified as a hazardous waste. Chemical waste generators must also consult local, regional, and

national hazardous waste regulations to ensure complete and accurate classification.
